DVIGear Appoints AVsion’s Clifford Broekhuisen as European Business Development Manager

Marietta, Georgia, USA – February 17, 2021 – DVIGear, a leading supplier of Digital Connectivity Solutions for professional display applications is pleased to announce that AVsion’s Clifford Broekhuisen has been appointed as its European Business Development Manager. His goal is to expand the distribution of DVIGear’s successful [DisplayNet®](#) and [HyperLight®](#) product lines, as well as a myriad of other new digital signal distribution products.

Clifford Broekhuisen has more than 20 years of experience in the ProAV industry and has worked most recently as a Business Development Manager with NETGEAR, focusing on their range of AVoIP network switches. Prior to this he worked as the EMEA Sales Manager for Rose Electronics – a leading supplier of KVM switching and distribution products. Clifford is based in Sittard, the Netherlands, and can be contacted by phone at **+31.6.1832.4038** or by email at clifford@dvigear.com.

“Having worked with DVIGear in my previous role, I appreciate the quality and value DVIGear products offer. I am very excited to be a part of the DVIGear team, and look forward to offering my full commercial and technical support to DVIGear’s current and future customers.” “We are excited to have Clifford join our team,” said Steven Barlow, President of DVIGear. “His extensive industry experience and passion for building strong customer relationships will enable him to further strengthen our position throughout the European region.”
