DVIGear Appoints Draper Group Ltd. as an Authorized UK Distributor

Marietta, Georgia, USA – January 29, 2019 – DVIGear, a leading manufacturer of digital connectivity products, has entered into an agreement with Draper Group Ltd. to distribute DVIGear products in the UK. Founded in 1902, Draper, Inc. has a long history of providing specialized solutions for the professional audiovisual marketplace. Under this agreement, Draper Group Ltd., a subsidiary of Draper, Inc., will distribute the entire range of DVIGear products, including its award-winning range of HyperLight® Active Optical Cables and DisplayNet® SDVoE AV distribution systems, as well as DVIGear’s full line of switchers, splitters, extenders, converters, scalers, and long-length cables.

This agreement will expand Draper’s current AV product offerings, enabling them to sell an outstanding array of AV solutions. “We’re excited to partner with Draper in the UK. They have a long and very successful history in the AV industry, which gives us unparalleled access to one of the most important markets in Europe,” said Steven Barlow, President of DVIGear. “We believe our products will be a great complement to their existing range of AV solutions.”

For more information about purchasing DVIGear products in the UK, please visit www.draperinc.co.uk.

About DVIGear

Founded in 1999, DVIGear is a leading supplier of Digital Connectivity Solutions for a wide range of professional display applications.
